

HOW IT WORKS

1. SPEAK WITH OUR TEAM

For this service you will need to provide us with detailed scaled drawings for your building project.

We will then confirm the cost for the service and take payment before we begin.

(The cost will be calculated based on the size of dwelling / extension)

2. CREATING A BUILDING ESTIMATE

UK Estimates will put together a full and comprehensive building estimate for you to examine and make any amendments to.

3. RECEIVE YOUR ESTIMATE

You will then receive all building estimates in excel, word and PDF format custom created. Again, saving you time and effort.
